Joint Program Executive Office for
Chemical, Biological, Radiological and Nuclear Defense

MS. LINDSAY LONGOBARDI

Joint Project Manager for CBRN Special Operations Forces

Ms. Lindsay Longobardi is the Joint Project Manager (JPM) for Chemical, Biological, Radiological and Nuclear (CBRN) Special Operations Forces (SOF) at the Joint Program Executive Office for Chemical, Biological, Radiological and Nuclear Defense (JPEO-CBRND).

Prior to her current position, Ms. Longobardi served as the Deputy Joint Project Lead for CBRN Defense Enabling Biotechnologies. She previously served as a Project Manager at the Vaccine Research Center at the National Institute of Allergy and Infectious Diseases; and the Deputy Project Manager for Warfighter Deployed Medical Systems at U.S. Army Medical Materiel Development Activity.

Ms. Longobardi was competitively accepted into a six-month educational broadening assignment in the Army Future Studies Group for U.S. Army Futures Command. Prior to that, she joined the Medical Devices Assemblage Management (MDAM) group within the U.S. Army Medical Materiel Agency (USAMMA) on a detail assignment as a Deputy Product Manager, which led to her formal assignment as Product Manager in MDAM. She also served as USAMMA's Project Manager and supervisor for the Technology Assessment and Requirements Analysis team within Integrated Clinical Systems.

Ms. Longobardi's additional previous positions include Assistant Product Manager for the Joint Biological Agent Identification and Diagnostic System at the Joint Project Manager for Medical Countermeasure Systems; Biosafety Level 4 Laboratory Manager, Mentor, and Trainer at the National Biodefense Analysis and Countermeasure Center; and infectious disease laboratory technician at U.S. Army Medical Research Institute of Infectious Diseases.

Ms. Longobardi holds a Bachelor of Science from the State University of New York at Buffalo, a Master of Science in Biotechnology from The Johns Hopkins University, and a Master of Business Administration from Hood College. Ms. Longobardi is also a certified Project Management Professional and certified Advanced in Program Management from the Defense Acquisition University.

Ms. Longobardi is a lifetime member of the Phi Kappa Phi and Sigma Beta Delta Honor Societies. She is the recipient of the Civilian Service Achievement Medal (2), Civilian Service Commendation Medal, and the Meritorious Civilian Service Medal.
